PROFESSIONAL SUMMARY

Highly motivated Software Engineering undergraduate at the University of Kelaniya with internship experience in full-stack web development, requirement analysis and agile project delivery. Skilled in Python, PHP, JavaScript, Java, React, Laravel, Flask, SQL and REST APIs, with a strong foundation in databases, cloud fundamentals, system design and documentation. Proficient in using AI tools such as GitHub Copilot, Cursor, ChatGPT and Claude for coding, debugging, documentation and workflow automation, enabling faster delivery and better software quality. Recognised for leadership, teamwork, clear communication, adaptability and continuous learning.

EDUCATION

Bachelor of Information and Communication Technology (Hons) Expected 2026

University of Kelaniya | Specialisation: Software Systems

TECHNICAL SKILLS

Languages	Python, PHP, JavaScript, TypeScript, Java, Dart, C
Frontend	HTML, CSS, React, JavaFX
Backend	Laravel, Flask, FastAPI, REST APIs
Databases	MySQL, PostgreSQL, Oracle (PL/SQL basics)
Tools	Git, GitHub, VS Code, Postman, Figma, Canva
AI Tools	GitHub Copilot, Cursor AI, ChatGPT, Claude
Practices	Agile/Scrum, Requirement Analysis, Debugging and Testing, Technical Documentation

EXPERIENCE

Software Engineering Intern – Beaver Creation (Pvt) Ltd Sep 2025 – Apr 2026

- Contributed to end-to-end software development including feature implementation, debugging, testing, deployment support and responsive solution development.
- Participated in requirement gathering and translated business needs into practical technical solutions.
- Supported business analysis through documentation, process understanding and user requirement clarification.
- Assisted project coordination with task tracking, progress updates, sprint communication and stakeholder follow-ups.
- Collaborated with developers, designers, QA and stakeholders in structured agile workflows.
- Used AI tools for code generation, debugging, documentation, reporting and productivity optimisation.
- Gained hands-on exposure to API integrations, project management practices and production-ready solution delivery.

Volunteer – ICC T20 World Cup 2026, Sri Lanka 2026

- Supported international event coordination and operational workflows in a fast-paced team environment.
- Assisted support teams in delivering smooth event operations, strengthening communication and coordination skills.

Project Intern (Project Management) – International Youth Alliance for Peace 2021

- Supported project coordination and digital documentation; contributed to team reporting.

PROJECTS

HelaIQ – Adaptive Learning & Exam-Readiness Platform | Final Year Project 2025 – 2026
Laravel, React, MySQL, Python
Bilingual (English/Sinhala) web platform that helps Sri Lankan students prepare for government competitive exams through adaptive tests, brain-training games, progress tracking and AI-based exam-readiness prediction.

Hotel Management System | React, HTML, CSS
Hotel booking system with real-time room availability, secure user authentication and an admin dashboard.

Library Management System | Java, JavaFX, MySQL
Desktop application for managing books and lending with advanced search and user authentication.

Courier Tracking System | Python, PostgreSQL
System for tracking packages and couriers with stored data management features.

Waste Control System | HTML, CSS, JavaScript
Web platform with user and admin roles to schedule waste pickups and report local issues.

JavaScript Mini-Game | HTML, CSS, JavaScript
Interactive browser game with animations, scoring logic and dynamic event handling.

CERTIFICATIONS

Bentley Accredited iTwin Developer: Associate
Responsive Web Design – freeCodeCamp
Diploma in English – Esoft Metro Campus
AWS Cloud Essentials for Business Leaders
Diploma in ICT – Esoft Metro Campus

CORE STRENGTHS

Critical Thinking	Problem Solving	Team Collaboration
Leadership	Adaptability	Time Management
Fast Learning	Stakeholder Coordination	AI Tool Utilisation

LEADERSHIP & ACTIVITIES

Vice President, Information Technology Students' Association – University of Kelaniya 2022 – 2023
Committee Member, ITSA – University of Kelaniya 2021 – 2022
Batch Representative, 3rd Year – University of Kelaniya 2024 – 2025
University Colours Awardee, University of Kelaniya 2024
Taekwondo Team Member, University of Kelaniya 2023 – 2026
Senior Prefect, Central College, Anuradhapura 2016 – 2018
Silver Medallist, All Island Open Karate Tournament 2011
